

United Children's Camp 2019

For the sixth year running, the United Children's Camp was held in Humphreys at Rathmore in Larne. Eight leaders took responsibility for 49 children. There was much fun and fellowship as the group engaged in outings and many varied activities, including swimming, camp olympics, crafts, and a visit from Aunt Sandra's Candy Factory. There was also an outing to Brecken Hill Activity Centre where the children had opportunity to partake in archery, orienteering, two-man trikes and an assault course.

The theme of the morning meetings

was the life of the missionary Mary Slessor, while the messages at the evening meetings focused on the Life of Christ. Commenting after the camp, Rev Ryan McKee stated, "We have been so encouraged by the feedback from the children and parents and especially thrilled to hear of children saying how they have been blessed through the meetings and devotional times at morning and night with their dorm leaders. Plans are already underway for Camp 2020. Keep an eye out in the *Vision Magazine* and on the Mission Board Website for an announcement with details in the coming months." ■
